Job Opportunity

Business/Organization	Location
Canobie Lake Park	Salem, NH
Canobie Lake Park is a local, family owned, amusement park.	

Opportunity

Lot Attendant:
Under the direction of the parking lot supervisor, sets up the parking lot in the proper traffic configuration following the prescribed condition of the day, and directs vehicular movement in the parking lot as safely, quickly, and efficiently as possible by following the prescribed Traffic Management Plan.

Duties and Responsibilities:

- Provides guest service;
- Provides drivers entering the parking lot clear, concise, unambiguous direction for safe, efficient vehicular movement by using hand and arm signals to direct traffic;
- The following procedure shall be used when utilizing hand and arm traffic control signals:
  - **STOP**: The arm is extended at shoulder level with the palm facing forward and the fingers pointing upward.
  - **PROCEED**: A waving motion across the chest indicating the direction of travel.
  - **TURNS**: The arm and hand is pointed at the lead car in the line of traffic to be turned, and then a pointing motion in the direction that the traffic is to proceed.
- Follows prescribed park Traffic Management Plan and procedures;
- **The minimum age of a Lot Attendant is 16 years;**
- Wears the park issued ANSI compliant yellow-green traffic shirt (tucked in) and a park issued ball cap. Pants or shorts must be Docker-style, preferably beige, and in compliance with the CLP Team Member Guidebook;
- Identifies and immediately reports safety and security hazards;
- Treats all guests with respect and provides guests with information and directions upon request;
- Assists in the placement and removal of signs, barricades, and cones, and the opening and closing of gates for the purpose of directing pedestrian and vehicular traffic;
- Is familiar with, understands, and complies with Team Member guidelines, departmental SOP's and General Orders;
- Any other tasks as assigned by management.

Date of Employment/Duration: **Weekend nights September 2018 – October 2018**
Days/Hours: 15 hours per week
Training will be provided.
