Haverhill's student-athletes have enjoyed substantial success, boasting All-New England Champions, MIAA State Champions, and *Boston Globe* All-Scholastic recipients. More importantly, students who participate in athletics are given the opportunity to broaden their educational experience through team membership, sportsmanship, competition, hard work, and commitment.

ACADEMIC REQUIREMENTS FOR ELIGIBILITY IN ATHLETICS

A student must secure during the last marking period preceding seasonal tryouts (e.g., second quarter marks and not semester grades determine third quarter eligibility) a passing grade in the equivalent of five major subjects. To be eligible for the fall marking period, students are required to have earned credits for the previous academic year equivalent to five full year courses. A student cannot at any time represent Haverhill High School unless that student is enrolled on a full-time basis. The academic eligibility of all students shall be considered as official and determined only on the date when the report cards for that marking period have been issued to the parents of all students. Incomplete grades will not be counted toward eligibility. The rules below also apply to academic eligibility:

- (1) A student who repeats work for which he or she has once received credit cannot count that subject a second time for eligibility.
- (2) A student cannot count for eligibility any subject taken during summer vacation unless that subject has previously been pursued and failed.
- (3) A student receiving services under Chapter 766 whose individual education plan is a 502.4 or more restrictive prototype, may be declared academically eligible by the Principal provided that all other eligibility requirements are met.
