

## **Career Internship Program**

HHS is now offering a new Career Internship Program to provide students with a meaningful workplace experience working closely with a professional in a chosen field. The student will also participate in classes covering workplace safety, laws, professional conduct, resumes, cover letters, and interviewing skills. The course runs two afternoons a week from 2:15 – 5:15pm and **students will receive 1/2 credit per semester**. If interested, contact your Guidance Counselor.
