Hillie Nation! Due to the excessive heat. We are having a half day today Wednesday. Our schedule will be: Periods A, then EF or FG, GH or HI, then an abbreviated Period J. Students will be released at 10:30. ***Please note at HHS on full or half days – we always start with Period A.***

#### ***From your Guidance Department - Student Schedules:***

Any student who is missing a class – during that period – not prior – please report to the Guidance Suite. There will be a staff member verifying the blank spot on your schedule prior to admitting you into the guidance suite.

Any student who wants to add or drop a class – PLEASE WAIT. Please do not go to the Guidance Dept. Please follow your schedule and we will announce and open the add/drop visits next week.

Student Drivers: You must have a parking pass issued by the 200's office before parking on campus. As of this time we are not using the skating rink for overflow.

Attention all students grades 9, 10 and 11. Picture day is tomorrow Thursday for student ID's. We will be taking photos for **all** students' grades 9 through 11 in the gym. A schedule will be sent to faculty today with times. Also, any new or returning staff that need a new ID photo can come down during your prep to get your picture taken as well. If any student received forms from Mark Lawrence to purchase these photos, please bring them with you tomorrow Thursday when you are called down.

Our first official school year event is happening tonight! This is free and open to all HHS students! Movie Night is here!! Featured Film – Ferris Bueller’s Day Off! Gates open at 7:00 and the movie starts at 7:45. Please bring your water, snacks, low chair or blanket to the HHS Track behind the pool building / parking lot C. Please be sure to make arrangements for your ride home immediately following the event.

Hillie Nation! Remember Attendance Matters! Arriving to school on time!  
Arriving to class before the bell! Make it an important part of your day!
