

Site Council Meeting Minutes

May 2, 2017

In Attendance: Kathy Kaczor, Beth Kitsos, Shannon Pettis, Dan Hickey, Karen Szarak, Nancy Koorapaty, Isabela Yepes, Sue Spreadborough.

Previous minutes accepted unanimously.

Upcoming Events:

May 8-13: Teacher Appreciation Week.

May 1-12: AP Testing. Moved in house so HHS can control better for the exacting conditions for testing required by the AP examination.

May 2: Site Council - we are here!

May 4: Mr HHS talent contest parody.

May 6: SAT testing at HHS scheduled through the college board and open to the public.

May 6-12: Nurses Appreciation Week.

May 9: Seniors term 4 progress reports.

May 10: Fashion show in the auditorium.

May 11: Coffee House in the library.

May 12: Junior Social.

May 13: HHS Sports Hall of Fame Induction at Hunking.

May 15: District Art Show at HHS.

May 16-17 Grade 10 Math MCAS.

May 17: Grades 9-11 progress reports for term 4.

May 18: Night of stars. Senior scholarship awards night.

May 19: Accuplacer Exam for Early College Program. Have bus for both to and from classes.

May 22: Summer School Enrollment Begins.

May 23: Senior Sign out - settle up with all the departments for books and fees due.

May 23: Senior Cookout.

May 23: R. Elaine Croston Poetry Reading. Contest for expressive poetry reading.

May 24: Senior Chapel Practice.

May 26: Senior Chapel. Last walk for seniors followed by a program with Speeches and Scholarships given.

May 29: Memorial Day: No School.

May 30: Senior Prom at Seaglass in Salisbury.

TSV Visit: Focus of site visit was on Math and ELA classrooms. Visited 22 random classrooms. Feedback will be in over the summer. This replaces the traditional SIP and will be forwarded to the members of the site council over the summer.

Mass Insight: Group funded by state grant. Assists with AP classes and syllabus preparation. Has summer institute for teachers at Bridgewater State that can be used for PDP or grad school credit. Provides assistance to students who can't afford the classes as well as extra help and mock exams for students enrolled in AP classes.

MCAS: Math 16th and 17th. Science in June. This is largest seating approx 700 students. All freshmen in bio, any retakes by other students and all students finishing the 2 year bio.

AP Testing:

Budget: Same as last year. Discussed meeting put on by Haverhill Education Coalition. Students should not be penalized for Hale Debt.

Hat Experiment is over. Has been good to not have to confront students in the hall over their hats. Looking now at teacher feedback to see if the policy stays or not.

Discussed movie night put on by Student Council. Not as much participation as hoped for. Possible problems were the choice of movie or the competing activities happening that evening.

Next meeting TBA Fall 2017
