### Budget Update:

Budget approved by School Committee.

SPED Supervisor and equipment for the vocational program both are line items in approved budget.

Public comment accepted on budget at meeting on Wednesday, June 6th @7:00pm.

### ELA Supervisor:

Discussed importance of position for both the district and HHS. ELA Supervisor ensures all schools are following the same curriculum so that students entering HHS are all given the same appropriate preparation for performing at the rigor expected of incoming freshmen. Discussed the variety of programs currently being used across the district and some of the disparity within programs.

### End of School Year Events:

Presented as handout for Site Council.

### Graduation:

Graduation for the class of 2018 happened Friday, June 1.

Plans are underway already for the class of 2019.

Student Council requested to have everyone wear the same color gown. Tentative plan is to alternate Brown and Gold on opposite years. The students would be called up with the National Honor Society first and then the rest of the students in alphabetical order instead of the current system that alternates boy/girl in alphabetical order.

### 2018/2019 Site Council:

Discussed changing the date to the first Monday of each month to follow the curriculum meetings and the time would change to 3:15-4:15.

Next Site Council Meeting: TBA Fall 2018
