HOME OF THE HILLIES

# Freshman Orientation

Class of 2020

Thursday, August 18, 2016

Haverhill High School Gymnasium

6:00 p.m.

*Haverhill High School is where you belong!*

# Freshman Academy

The Freshman Academy has been established to foster a successful transition from middle school to Haverhill High School in support of long-term goals for student success, to build a greater sense of school community, and to create a school culture in which each student is supported by peers and adults.

Students will be scheduled by teams and the classes are located by department within the building. The Freshman Academy is a Small Learning Community that utilizes a TEAM concept. We believe that this team structure will build a stronger school community that will encourage more meaningful relationships, increase attendance rates, decrease behavior incidents, and teach the skills necessary to be college and career ready. The Freshman Academy will have classes that meet the needs of all learners from struggling learners who will have support systems in

place to meet their needs, to accelerated learners who will participate as a cohort in the honors level courses. Our classes will hold students to high learning standards, provide the necessary supports to reach these standards, and deepen each students understanding and appreciation of their own abilities.

*"We don't expect that you've arrived here fully formed, we expect you've arrived here ready to learn." Carol Dweck*

## RECOMMENDED SUPPLIES FOR INCOMING FRESHMEN

- Agenda
- 3 ring loose leaf binders
- Dividers
- Pocket folders (12)
- Paper for binders
- Colored pencils
- Highlighters
- Pencils and erasers
- 1 subject notebooks (4)
- 2 subject notebooks (2)
- Small binders
- Composition notebook
- Independent reading

Beth Kitsos - Principal  
Kevin McLaughlin - Associate Principal  
Dan Faircloth - Asst. Principal - 9th grade  
Dottie Donohoe - Principal Clerk  
Michael Rossetti - Asst. Principal - 10th grade  
Matt Steinberg - Asst. Principal - 11th & 12th grade  
Jami Dion - Director of Guidance

## FORMS/FEEES DUE AUGUST 8

All required forms and user fees can be submitted at any time during the Summer. **Students will not be permitted to participate unless ALL forms and fees are submitted.**

Forms can be completed online at [www.hillies.org](http://www.hillies.org) or picked up at the Athletic Department Office.

Forms/fees can be dropped off at the athletic department office or mailed to:

Haverhill High School  
Attn. Athletic Director  
137 Monument Street  
Haverhill, MA 01832

## PHYSICALS

Student-athletes must present a valid physical on an annual basis. Physicals are valid for 13 months. Any student who has an expired or invalid physical will NOT be permitted to participate under any circumstances. Updated physicals should be submitted to the athletic department through the course of the year. Physical examinations must be performed by a duly registered physician, physician's assistant, or nurse practitioner.

## HAVERHILL PUBLIC SCHOOLS

### HOW CAN YOU GET INVOLVED

#### Parent Organizations in Schools and the Community

**School Site Councils** – This group **must** be comprised of parents, teachers, community members and administrators, and must meet monthly, according to the regulations stated in the Massachusetts Educational Reform Act of 1993. Every school must have a site council. They function as a governing body for each school and compose goals for their student body regarding student achievement. If you are interested in participating in this group, or simply attending one of our meetings, please visit our website for the meeting schedule. Please get involved.

**District Parent Council (DPC)** – This group of parents meet monthly (first Wednesday of every month at 9:15 a.m.) usually in the Conference Room in the School Department at City Hall. The purpose of the group is to link parents with the Superintendent concerns, initiatives, problems, “best practices” and goals. They also host educational related events at the district level such as The Write Away contest, school and city candidates’ debates, dedications, celebrations, informational meetings, etc. This group is comprised of members representing each school in the city that then relay the information that was gathered at the District level and share this with PTO members and Site Councils as well. Meetings are open to the public and parents are always welcome. If you are interested in attending a meeting, simply show up, or if you are interested in attending the occasional evening meeting, watch for information on the Educational Channel for more information. .

**Booster Clubs** – These clubs are formed to support a particular sport or club that your child belongs to. At the High School level, almost every sport, or band group has a parent run Booster organization to help chaperone or fund various needs such as buses, field usage, referees, equipment, uniforms, banquets, etc. This group’s primary purpose is to raise funds through concession sales, car washes, or other fundraising events. If your child participates in one of these teams, clubs or group, and you would like to donate in some way, or start a Booster’s Club, then contact the team’s coach, club president or band leader. Have fun!

**P.A.C.** – Parent Advisory Council is a group of parents of special education students, community professionals, and is open to all parents, teachers and community members. Call the Special Education Department at 978-374-3435.

**Chaperones, volunteers, or other adults** that would like to participate in field trips or school or classroom activities must fill out and pass CORI checks as required by Haverhill Public School district’s policy. If you are interested in participating at this level, contact your school for more information. Enjoy!
