Students who have been approved for College Board accommodations must report to the guidance office for testing in their specific subjects.

You should bring the following items to the exam room:

- Several sharpened **No. 2 pencils** (with erasers) for completing multiple-choice answer sheets.
- **Pens with black or dark blue ink** for completing areas on the exam booklet covers and for free-response questions in most exams.
- A **watch** that does not have Internet access, beep, or have an alarm (in case your exam room does not have a clock that you can see easily).
- **Up to two calculators** with the necessary capabilities if you are taking an AP Biology, Calculus,

Chemistry, Physics, or Statistics Exam. (Visit apstudent.collegeboard.org/apcourse to learn more about the calculator policy for each of these exams, and for a list of authorized calculators.)

- A ruler or straightedge only if you are taking an AP Physics Exam. (Protractors are not allowed.)
- If applicable, your SSD Student Accommodation Letter, which verifies that you have been approved for extended time or another testing accommodation.

You should not bring the following to the exam room:

- Electronic equipment (cell phone, smartphone, smartwatch or other wearable technology, laptop, tablet computer, etc.), portable listening or recording devices (MP3 player, iPod, etc.), cameras or other photographic equipment, devices that can access the Internet, and any other electronic or communication devices. **Unapproved aids: Books, compasses, mechanical pencils, correction fluid, dictionaries, highlighters*, notes/study guides or colored pencils.**
- Rulers, straightedges, and protractors (except as noted above).*
- Scratch paper; notes can be made on portions of the exam booklets or, for Chinese Language and Culture and Japanese Language and Culture, on scratch paper provided by the proctor.
- Computers* or calculators (except as noted above).
- Reference guides, keyboard maps, or other typing instructions.
- Watches that beep or have an alarm
- Clothing with subject-related information.
- Food or drink (can be left with AP coordinator when checking in, must be in a bag with name clearly labeled)

You are required to arrive no later than 30 minutes prior to your exam: 7:30am for the morning administration and 11:30am for the afternoon administration. Students may not be dismissed until an exam has officially ended; do not ask to leave early if you finish before the end of the exam. **If you play a sport or have a job, it is your responsibility to inform your coach or employer of your AP Exam obligation, and arrangements should be made accordingly.**

Get a good night's rest before your exam, and eat a nutritious breakfast. You are allowed to bring a snack and beverage for your 10-minute break. However, food and drink are prohibited in the exam room. Snacks/drinks will be collected at Check In. Place them in a brown bag with your name on it. All snacks will be delivered to classroom prior to break.

Students are required to abide by the policies of both the College Board and HHS during the exam period. Any misconduct will be reported and could jeopardize both individual and group AP Exam scores. Students who take an AP course are expected to sit for the exam. If students cannot take an exam for an unexpected reason, he/she should alert Mrs. Dion as soon as possible to see if arrangements can be made for late testing (additional fees may apply). Students who do not take an AP exam will receive honors credit for their course and the transcript will be amended.

Be sure to review the *2017-18 Bulletin for AP Students and Parents* that you received earlier this year. If you have any additional questions or concerns, feel free to contact me. Good luck!

Mrs. Dion, AP Coordinator
