Dear Parents/Guardians of Scholars Entering Grade 9,

Summer Reading is a great opportunity for students to enjoy literature and strengthen the literacy skills necessary for academic achievement. Please find enclosed a list of Summer Reading books that are appropriate for your child's grade level.

Students are encouraged to read **two** books (one fiction and one non-fiction). Books are available at the Haverhill Public Library and at local bookstores, such as Barnes & Noble. Many of these titles are also available as eBooks and/or audiobooks.

Please encourage your child to read as many books as possible, but bear in mind that many families rely on the Haverhill Public Library. In consideration of others, please check out only one or two books at a time, and return them as soon as possible. This will allow all children to benefit from the local public library – a wonderful resource.

Thank you for supporting our Summer Reading Program.

Happy Reading!

Stronger

Jeff Bauman

When Jeff Bauman woke up on Tuesday, April 16th, 2013 in the Boston Medical Center, groggy from a series of lifesaving surgeries and missing his legs, the first thing he did was try to speak. When he realized he couldn't, he asked for a pad and paper and wrote down seven words: "Saw the guy. Looked right at me," setting off one of the biggest manhunts in the country's history. In *Stronger*, Jeff describes the chaos and terror of the bombing itself and the ongoing FBI investigation in which he was a key witness. He takes us inside his grueling rehabilitation, and discusses his attempt to reconcile the world's admiration with his own guilt and frustration. And he tells of the courage of his fellow survivors. Brave, compassionate, and emotionally compelling, Jeff Bauman's story is not just his, but ours as well. It proves that the terrorists accomplished nothing with their act of cowardice and shows the entire world what Boston Strong really means.

American Sniper

Chris Kyle

From 1999 to 2009, U.S. Navy SEAL Chris Kyle recorded the most career sniper kills in United States military history. His fellow American warriors, whom he protected with deadly precision from rooftops and stealth positions during the Iraq War, called him "The Legend"; meanwhile, the enemy feared him so much they named him *al-Shaitan* ("the devil") and placed a bounty on his head. Kyle, who was tragically killed in 2013, writes honestly about the pain of war—including the deaths of two close SEAL teammates—and in moving first-person passages throughout, his wife, Taya, speaks openly about the strains of war on their family,

as well as on Chris. Gripping and unforgettable, Kyle's masterful account of his extraordinary battlefield experiences ranks as one of the great war memoirs of all time.
