November | 2024

High School Happenings

It continues to be a busy fall! All of our 8th graders appreciated the Road Show that highlighted HHS, as middle schools hosted HHS Departments. They also walked the halls, visited classrooms and saw a mini performance from chorus, band, & theater.

We have one last group to impress- **families!** Can't wait to see you on Nov. 7th 6-7:30pm at HHS!

Counselor Connection
