October | 2024

High School Happenings

We have enjoyed meeting with students to assist with schedules and transitions back to school! The counselors have completed transcript credit checks and look forward to classroom workshops for the different grade levels. Counselors will be available Friday lunches through Oct-Nov. in the cafe to connect with students for questions.

Counselor Spot Light

We welcome Gina Albano to our team once again. Gina comes from us from C4 Innovations and as a fully trained Youth Wellness Coach she will serve as a non-clinical behavioral health support to our students.
