### Vision & Mission

Haverhill High School is dedicated to ensuring that each learner meets or exceeds rigorous academic standards to become a citizen with the skills necessary to solve problems and meet 21st century academic, social, and civic expectations. Creating a culture that celebrates individual success is imperative for engaging all students in accessible, equitable, and meaningful learning experiences. Our main goal is to ensure that each student develops integrity, motivation, and self-confidence to succeed in the global community.

## Haverhill Public Schools Strategic Priorities for 2025-2027

as developed by the Strategic Planning Subcommittee

for approval by the Haverhill School Committee

Priority 1: Engagement. Maintain a safe, supportive learning community in every school, promoting health and safety, a culture of learning, and respect for leaders and peers. Foster a diverse and inclusive learning community with active engagement and a sense of belonging for everyone. Engage student families and the community in promoting student success.

Priority 2: Literacy. Implement curriculum, teaching methods, and support resources needed to achieve reading proficiency for all students by Grade 3; promote wide participation in self-directed reading in upper grades; provide rigorous instruction in writing and communications; provide for high-level content comprehension in DESE curriculum areas. Evaluate performance and adapt methods as needed.

Priority 3: Academic excellence. Promote a culture of high expectations of academic achievement and growth for all student groups regardless of background or level of achievement; adopt evidence-based curriculum; identify, develop, and support best teaching practices; consistently communicate high expectations; improve attendance and graduation rates to exceed comparable benchmarks.

Priority 4: Readiness for careers and citizenship. Prepare every student for college or career; prepare students for the responsibilities of citizenship and civic life; effectively implement civics and social sciences curriculum; promote awareness of current events; encourage in-school democratic processes and student-led group activities.

Priority 5: Effective financial management. Develop the district budget to support strategic priorities in line with individual school needs and budget targets; monitor spending to meet the budget; ensure timely notification and consideration of budget issues as they arise; adapt the budget to changing circumstances. Continue efforts to supplement state and city funding with grants.

**In this SIP each action item will have strategic priorities in that column, such as 1,2,3 etc.**
